

# Garden GLOW

Presented by

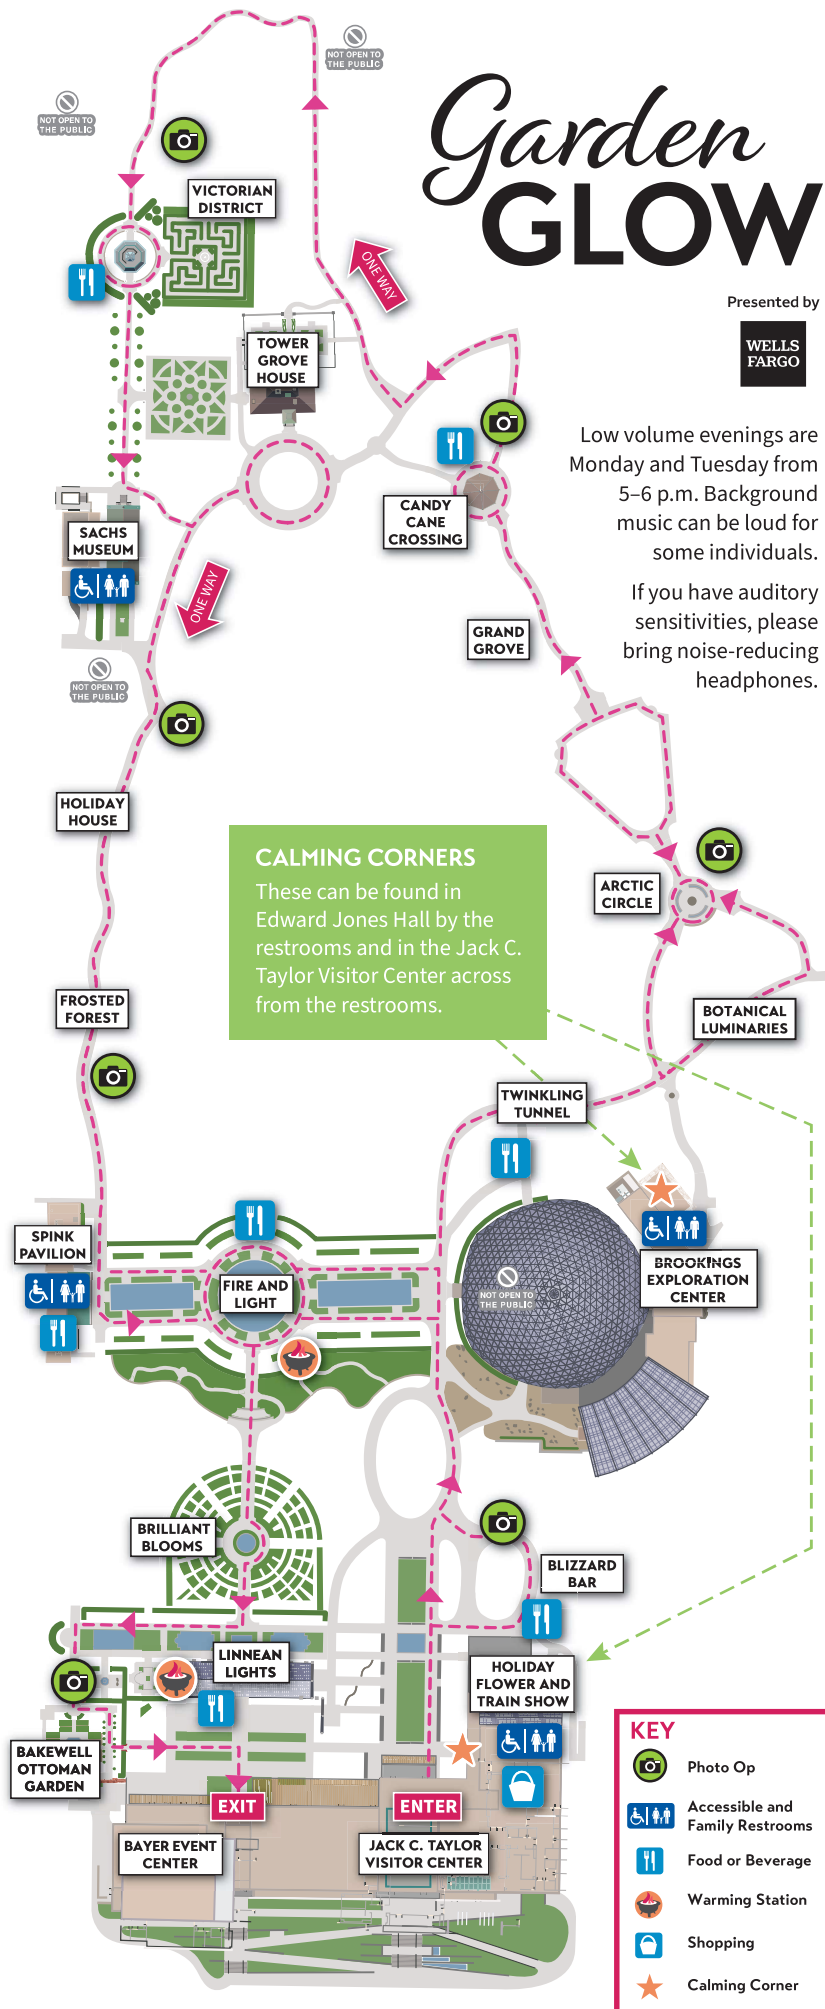

Low volume evenings are Monday and Tuesday from 5–6 p.m. Background music can be loud for some individuals.

If you have auditory sensitivities, please bring noise-reducing headphones.

## CALMING CORNERS

These can be found in Edward Jones Hall by the restrooms and in the Jack C. Taylor Visitor Center across from the restrooms.

# SENSORY MAP

The Missouri Botanical Garden strives to make all visitors feel welcome.

We are committed to providing with a beautiful and engaging experience within an environment free of discrimination or harassment where all individuals are treated with respect and dignity.

## Holiday Flower and Train Show:
